- Rota has been constructed with a Communion Service each side of the benefice, and one BCP Evening Prayer each Sunday. Please do travel to attend a service in any of the 6 benefice churches. Wear a facemask/covering and follow the Covid-safety protocols as set out in each church. Pre-Covid rota is not currently viable as the officiant needs approx. 30mins to set up before each service – thus ensuring bio-security at the Altar.*
- The rota allows for the two sides of the valley to be separated in case of a localised Coronavirus outbreak; keeping 'Covid Safe' the altar at Hilton where Rev'd Helier is streaming weekday offices regularly. The rota allows Fr. Roger to officiate the majority of services, if required. When Fr. Roger is at Hilton, he will officiate from the chancel.*
- All communion services INCLUDING HARVEST are said using the "Ordinary Time Pandemic Order of Service" available on the benefice website.***
